

# Island Guest Ranch

## Cowboy Clinic October 2011

This clinic will require you to be at least an intermediate rider (no novice riders). You will be in the saddle for the majority of the day, although there will be down time to enjoy the pool!

### Itinerary

Day 1 Collect from airport, meet and greet, assign horses and gear, evening supper with cowboy and ranch history

Day 2 Get used to riding your horse, learn to read stock

Day 3 Colt starting and learning to rope

Day 4 Further instruction in roping, cattle work

Day 5 Starting fall gather (gathering, weaning, processing and shipping)

Day 6 Continuing with fall gather

Day 7 Finish with fall gather and cook out

Day 8 Possible early morning ride dependent on flight times.

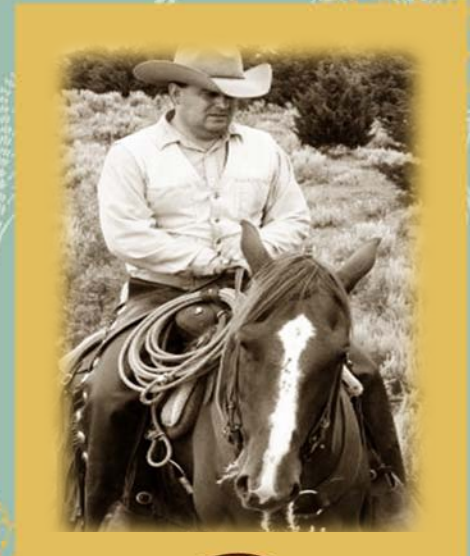

Price \$1599 + flights

Price includes all activities

Info required for holiday: Height, weight, riding experience, right or left handed.

Cowboy hats, chinks, chaps can be bought at ranch, if you would like to have a custom made pair, please contact ranch and we will arrange for a pair to be made for you. See [www.snowcreekboots.com](http://www.snowcreekboots.com) for more info
